- I understand that if my child misses classes I still have to pay and not be refunded or provided credit if already paid in advance.
- I am aware that my child drops during the season and I have paid for costumes I will not be refunded and I must wait to the day before the scheduled Spring recital to retrieve the items I paid for.
- I understand that when I pay a fee for a item it is for the item only. No other credits will be given.
- I am aware that once I pay for a trip the deposit and payments are non refundable. It affects the whole group when you drop.
- All fundraiser money can only be used for one specific purpose and will not be credited to anything else.
- If you do not use your fundraiser money for the specific purpose you will lose it!!!
